<p>Re-visit the top 3 from last meeting: clarify, confirm and unpack</p>	<p><i>Information about ACAT – transitioning to full functionality within the My Aged Care System</i> The ACAT referral pathway will now be through the MAC contact centre – an e-referral will be possible. It is early days and not sure how it is going yet.</p> <p>Please note: MAC has a publication section on their website to look for brochures and booklets.</p> <p><i>Educating hospital staff/consumers and GP's</i> Discussion about the Seniors Sothern Services Directory App, maybe update the current directory by adding a search button.</p> <p><i>Speed dating with the RAS</i> Discussion about 'speed dating', the group agreed this option was too much and information overload. An alternative could be collecting targeted information from service providers in a spread-sheet format, rather than face to face. Information would include the details of services that cannot be added to the current service finder. SSRG to manage the information.</p>	<p>Sam to bring some brochures to the next meeting and Prue will send the link for the booklets</p> <p>Julie to email Sally a draft copy of the spread sheet Sally to negotiate with RAS and providers to gather/share the information.</p> <p>Sally to create a project plan</p>
<p>Project officer update</p>	<ul style="list-style-type: none"> • SASMA is holding an information session about the role of the Adelaide PHN on 14 April 2016 • A fact sheet was handed out regarding a Summary of the Commonwealth Aged Care Reform Initiatives (Fact Sheet 9, ACAP Reform Unit) • Flyer from Social Connections invitation for 'Acting Out Down South' by 3's Company and a Dancing workshop • SAPOL Home Assistant Program flyer • SIS – Care and Support, Home Support and Care Option flyer • My Aged Care Transition, email regarding changes to enhance system useability delayed until 4 April 2016
